Our Prayer

THAT we may be messengers for Thee, O Lord; that we may tell of Thy grace and power; that we may never shun to declare the whole counsel of God; that we may speak the truth in love; that we may find in the Saviour's love inspiration and life and strength; and that all we tell and urge may spring from hearts that have felt that love; that we may seek the peace, the purity, the unity of the Church, the Bride, the Lamb's wife; that we may lovingly and loyally preserve her good name and help others to sustain and provide for her that she may make her Lord known to all men; that we may have hearts full of affection for all who are Christ's the while we zealously defend that which is distinctive in our Church's life: These, Lord, are the petitions which we present Thee.

In the name of Him in whose grace and knowledge we would grow! Amen.

"To the Law and to the Testimony: If they speak not according to this Word, it is because there is no light in them."---Isaiah VIII:20.
